Course Outcomes

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Learning objectives for each subject.

Laboratory Work

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Hands-on experiments and practical sessions.

Mini Project

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Problem identification, implementation and documentation.

Reference Books

Recommended textbooks and online resources.

Recommended textbooks and online resources.
